

MONTHLY ROUNDUP

FROM THE PRESIDENT:

We are ramping up for Walk Run Wag's first year back - and it's going to be better than ever! We have some amazing sponsors and vendors lined up - so even if you don't want to participate in the race, why not swing by, grab a drink, enjoy music by Kiss FM DJs Alley and DZ and do a little shopping! We'll also have an agility 'try-it' area for your and your pooch sponsored by Agility Possibilities!

And, of course, other FoM responsibilities don't stop just because WRW is approaching! We're really excited to have provided another round of food for MADACC, as well as a swimming pool and other enrichment opportunities for shelter residents. We attended West Allis a la Carte, marched in the Pride Parade and had front-row seats to Think Pawsitives Midwest Agility Cup! It's been a busy summer, to say the least, but we're always happy to raise money and spread the word for MADACC.

JUNE EVENT RECAP

We attended some great events this month! We love seeing our community come out, hearing about your pets from MADACC and just sharing our love for all things rescue! West Allis a la Carte was super fun, as usual - we're never disappointed by how many people come out for that event! We also marched in the Pride Parade for the first time in many years and hung out at Think Pawsitive's Midwest Agility Cup!

DOG DAYS OF SUMMER

Thanks to the generous donations from our community, FoM was able to purchase a brand new swimming pool to help cool down some of the water-loving pooches while they play in the yard! The pool is also another enrichment opportunity for dogs - it's something that some have never seen before and can be an amazing confidence booster once they realize how much fun it is (and, of course, we never force any dog to do something that they are not comfortable with!); it also provides a different type of movement for them beyond walking and running, which can be great for their overall fitness!

Pictured: Dax (Adopted) and Baron (Available!!) - two boys that are part dog, part fish! Both will love going on adventures with their future families (especially if they get to swim!)

adoptables HIGHLIGHT

READY TO GO HOME TODAY!

Learn more: <https://madacc.org/adoptmadacc/>

MEET MEMPHIS!

2 y/o || 52 lbs || Male

Memphis is a pint-sized potato with a gruff bark, but a heart of gold - especially if you have treats!

MEET LEIA!

2 y/o || 8 lbs || Female

Leia came to MADACC with her buddy Rey from a hoarding situation. She's a little fearful, but we think, with the right family, she can be a great pet!

RAFFLE ITEMS NEEDED!

FoM has two major events coming up that, historically, have raised a significant amount of money through raffles! If you or your business would like to donate items or gift certificates (doesn't need to be an entire basket - we'll combine items to create great prizes for everyone!) please reach out to info@friendsofmadacc.org and we will coordinate pickup with one of our board members!
