

MONTHLY ROUNDUP

FROM THE PRESIDENT:

Wow! What an amazing start to 2024 - we've expanded our board pretty dramatically and everyone is ready to go! We unveiled our new merch at the Pet Expo and the attendance of our Post Valentine's Day celebration at Ope! was incredible. And, don't forget - Our Spread the Love Valentine's fundraiser continues until the end of the month - so feel free to donate ;)

Looking ahead, we're excited for the March shot clinic and the return of Walk Run Wag! in July. Plus, we're taking your donations and merch and putting them right back into the shelter - buying new beds, leashes, collars, and enrichment toys/equipment for animals waiting for their forever homes.

Thank you for being part of our journey and we look forward to seeing you at our many events this year!

VALENTINE'S DAY AT OPE BREWING!

What started as a quiet 'filler' merch sale between some larger events ended up being an INCREDIBLE SUCCESS - due, in no small part, to our amazing community! Between purchases of our new merchandise and raffle baskets, your generosity raised over \$4,000 that will directly help the animals in MADACC's care and in our community. We were absolutely humbled by the turn out - but we shouldn't be surprised, because rescue people are the best people! (We also want to thank Ope! Brewing for being an amazing, supportive partner who continually works with animal rescue organizations.)

THERE'S STILL TIME TO SPREAD THE LOVE

We're having so much fun with our first annual Valentine's donation promotion. If you missed it: Anyone who donates \$25 gets a heart with their name on it to adorn the walls of MADACC and anyone who donates \$100 receives a personalized (or should we say 'animal'-ized) thank you from one of the lovely four-legged friends at MADACC!

Asia and Beatrice were two of the dogs who sent their love to our generous donors - Beatrice found her perfect valentine with an amazing forever home and Asia got scooped up by Shelter from the Storm, one of MADACC's amazing rescue partners!

Runs until Feb 29!

SOMETIMES ITS THE LITTLE THINGS!

Did you know MADACC has a 'yard'? It's great place for volunteers and staff to take dogs so they can burn off a little energy - some off leash zoomies can really make shelter life easier for some of the dogs waiting for their families.

Volunteers had mentioned a few upgrades that they wanted to see - and your donations allowed FoM to help! We were able to purchase solar powered lights and benches. It's nothing drastic, but we love doing anything we can to make the lives of staff and volunteers just a little easier - and you make that possible!

foster OPPORTUNITIES

Ready to step up and foster? MADACC has a few extra special animals that could really use a quiet place to rest until they find their forever home.

Email foster@madacc.org if you're interested!

MEET PEPPER! medical foster needed

We know - she looks a little rough, but isn't there also something undeniably adorable about those little eye and those giant ears?? Pepper came in to MADACC with a pretty terrible case of demodectic mange (not contagious to other dogs). Because mange is so treatable, she's already on her way to recovery - but the shelter is no place for her to heal.

As her foster, MADACC vet staff will answer all of your questions and support you every step of the way!

INTERESTED IN VOLUNTEERING?

Whether you want to help out at an event (or a bunch of them), join a committee to help support our board efforts or work directly with animals, FoM and MADACC only work because of volunteers. If you have the interest and the passion, between FoM and shelter operations, there is a volunteer position that will fit with your lifestyle.
